Created Twitter account @cccbu and as of December 2010 have 500+ users following the progress of our stimulus project.

Created Facebook page Columbia County Community Broadband Utility to communicate project milestones and present pictures and videos pertaining to project.

Utilizing RSS feeds and text updates to inform citizens about the status of our project.

Created an article introducing our project and included it in our local Water Utility direct mail insert, which on average, reaches 44,000 households.

Setup Website to communicate project milestones and vendors to register to receive project updates.

Evaluate outside and inside plant materials (quality, cost, etc.) before issuing construction bids.

Standardize and Include materials evaluated including the cost received from suppliers in the construction bids. This will lower your overall material cost including material management cost.
