## **Project Indicators (This Quarter)**

1. Please describe significant project accomplishments completed during this quarter (600 words or less).

Completed the construction procurement process. Began negotiations with the construction contractor to nail down the scheduling and scope of work (SOW). All DWDM and ADM designs are complete. Deployed equipment at one of the sites. Purchased DWDM and ADM equipment to support each of the locations.

2. Please provide the percent complete for the following key milestones in your project. Write "0" in the Percent Complete column and "N/A" in the Narrative column if your project does not include this activity. If you provided additional milestones in your baseline plan, please insert them at the bottom of the table. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the percent complete is different from the target provided in your baseline plan (300 words or less).

	Milestone	Percent Complete	Narrative (describe reasons for any variance from baseline plan or subsequent written updates provided to your program officer)
2a.	Overall Project	13	Completed all network and engineering designs simultaneously.  Construction procurement process is complete. Variance due to delay in construction procurement activities. Per April 19th NTIA guidance, the percent complete is strictly based on the budget.
2b.	Environmental Assessment	100	Complete
2c.	Network Design	100	Completed all dense wavelength divisional multiplexing and synchronous optical networking system designs.
2d.	Rights of Way	0	N/A - All construction will be on our own property.
2e.	Construction Permits and Other Approvals	100	Completed all engineering designs for all sites simultaneously.
2f.	Site Preparation	4	Construction contractor has been selected. Per April 19th NTIA guidance, the percent complete is strictly based on the budget.
2g.	Equipment Procurement	15	Most dense wavelength divisional multiplexing systems have been purchased. Per April 19th NTIA guidance, the percent complete is strictly based on the budget.
2h.	Network Build (all components - owned, leased, IRU, etc)	15	Build to support Palo Cedro site was completed. The rest is pending the construction procurement process (item 2f).
2i.	Equipment Deployment	25	DWDM equipment was deployed in 5 sites. The rest is pending the construction procurement process (item 2f).
2j.	Network Testing	15	Testing of DWDM equipment was completed at 5 sites. The rest is pending the construction procurement process (item 2f).
2k.	Other (please specify):	0	N/A

3. To the extent not covered above, please describe any challenges or issues faced during this past quarter in achieving planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (600 words or less).

Ahead of schedule on network and engineering designs. Delay on Network Build and deployment due to longer construction procurement process than expected. Construction will commence in Q2 2011.

4. Please report the following information regarding network build progress. Write "0" in the Total column and "N/A" in the Narrative column if your project does not include this activity. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the total is different from the target provided in your baseline plan (600 words or less).

## Project Indicators (Next Quarter)

1. Please describe significant project accomplishments planned for completion during the next quarter (600 words or less).

Begin construction at each of the locations and begin completing interconnection points. Purchase ADM and support and management systems for monitoring. Deploy equipment.

2. Please provide the percent complete for the following key milestones in your project. Write "0" in the Planned Percent Complete column and "N/A" in the Narrative column if your project does not include this activity. If you provided additional milestones in your baseline plan, please insert them at the bottom of the table. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the next reporting quarter. Please provide a narrative description if the percent complete is different from the target provided in your baseline plan (300 words or less).

## Infrastructure Budget Execution Details

## **Activity Based Expenditures (Infrastructure)**

1. Please provide details below on your total budget, cumulative actual expenditures (for the period ending the current quarter), and cumulative anticipated expenditures (for the period ending next quarter) for each line item, including detailed disbursements of both matching funds and federal funds from project inception through end of this quarter (actual) or next quarter (anticipated). Actual and anticipated figures should be reported cumulatively from award inception to the end of the applicable reporting quarter.
