**OVERALL PROJECT PERFORMANCE INDICATORS**

1. Please provide the following average cost figures for your project. Please review the instructions to determine how to calculate these figures. Write "0" in the second column and "N/A" in the third column if your project does not yet have this information. Depending on whether your project contains Middle Mile and/or Last Mile components, some metrics may not apply. Please provide a narrative description if the total is different from the target provided in your baseline plan (600 words or less).

| Cost Indicator                                   | Average Cost / Speed | Narrative (describe your reasons for any variance from the baseline plan or any other relevant information) |
|--|----------------------|---|
| Average cost per new mile (Middle Mile)          | 0                    | No facilities constructed to date.  |
| Average cost per household passed (Last Mile)    | 0                    | Not Last Mile provider.   |
| Average cost per subscriber (Last Mile)          | 0                    | Not Last Mile provider.   |
| Maximum broadband speed advertised (Middle Mile) | 0                    | No facilities constructed to date.  |
| Maximum broadband speed advertised (Last Mile)   | 0                    | Not Last Mile provider.   |
| Average broadband speed provided (Middle Mile)   | 0                    | No facilities constructed to date.  |
| Average broadband speed provided (Last Mile)     | 0                    | Not Last Mile provider.   |

2. Please provide each facility name and type, the county where the facility is located, and census tract information for any facilities funded by your project during this annual reporting period. Report only facilities for which construction has been completed.

| Facility Identifier / Name        | Facility Type | County | Census Tracts |
|-----------------------------------|---------------|--------|---------------|
| No facilities constructed to date | N/A           | N/A    | N/A           |

**5. Please indicate the average increase in broadband speed provided to the community anchor institution customers as a result of your project, including a description of how this increase was calculated (600 words or less).**

N/A - No facilities constructed to date

**6. What retail services are being provided by this project? Please describe below. (600 words or less). As an attachment to this report, please provide pricing plans (in \$ per month) associated with each retail service. Retail services description:**

N/A - No facilities constructed to date; all services planned are described in the Application Service Deck.

**7a. What network management policies (e.g., bandwidth limitations, traffic prioritization) are in place for the services provided by your project? 7b. Have you ever limited or blocked consumers from accessing any lawful content, service, service provider, or application, or prevented any consumers from attaching any legal device to the network? If so, please explain why (300 words or less)?**

N/A - No facilities constructed to date

**8. If applicable, please provide the total number and the percentage of subscribers who have dropped the broadband service provided through this project (total number of households and/or businesses and the "churn rate") and the subscribers' reasons for discontinuing their service (600 words or less).**

N/A - Not there yet

**9. Please provide the following information regarding the number of fiber strand-miles:**

| Total Number of Strand-miles | Total Number of Active Fiber Strand-miles Used by Recipient | Total Number of Leased Fiber Strand-miles | Total Number of Dark Fiber Strand-miles | Total Number of Strand-miles Being Built |        |      |
|------------------------------|---|---|---|--|--------|------|
|                              |   |   |   | Active                                   | Leased | Dark |
| 111,312                      | 0   | 0   | 0                                       | 111,312                                  | 0      | 0    |

**10. If you wholesale dark fiber, please list your wholesale customers and the number of fiber miles you currently are leasing to those customers:**

NA - No facilities constructed to date

**11. Please provide the following information regarding the facility collocation capacity:**

| Total Facility (total square feet for all facilities) | Number of Square Feet Used by Recipient | Number of Square Feet Leased | Number of Square Feet Available |
|---|---|------------------------------|---------------------------------|
| 0   | 0                                       | 0                            | 0                               |

DATE: 02/22/2011

**12. If you do not own collocation space, please describe how and where other network providers and/or customers interconnect with your network (600 words or less).**

Sovernet Fiber Corp is not constructing any collocation facilities. Providers and/or customers will interconnect at Fairpoint collocation facilities.

**13. To the extent that you have made any subcontracts or sub grants, please provide the number of subcontracts or sub grants that have been made to socially and economically disadvantaged small business (SDB) concerns as defined by section 8(a) of the Small Business Act, 15 U.S.C. 647, as modified by NTIA's adoption of an alternative small business size standard for use in BTOP. Please also provide the names of these SDB entities (150 words or less).**

None

**14. Please describe any best practices/lessons learned that can be shared with other similar BTOP projects (900 words or less).**

Our project is just getting started. At this time we do not have any best practices/lessons learned to share. As our project progresses, we will include.
