3. Please describe any challenges or issues anticipated during the next quarter that may impact planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (600 words or less).

Procurement of equipment and outside plant construction has been pushed back. We do not anticipate spending any funds by 6/30 on either equipment or construction due to the amount of time needed for contract negotiations, planning, and invoicing that must take place after the issuance of the FONSI. We anticipate getting back on schedule once the FONSI has been issued and we are able to begin procuring equipment and outside plant construction.
