

Specific Award Conditions

Award Number: NT10BIX5570158

Amendment Number: 29

1) Weekly Status Reports

LA-RICS must submit weekly written reports to NTIA and the NOAA Grants Office on the status of its construction activities on the LTE sites it has committed to finish during the remainder of its performance period ending on July 7, 2020.

2) Submission of All Closeout Materials

LA-RICS must submit all closeout materials, including all invoices and claims for reimbursement for agency review, no later than August 15, 2020. LA-RICS acknowledges and understands that any claims for reimbursement submitted by LA-RICS after August 15, 2020 may not be processed and paid by the NOAA Grants Office prior to the expiration of the federal funding on September 30, 2020, and that LA-RICS further agrees to assume the entire risk of loss relative to any such late claims.
