AWARD NUMBER: NT10BIX5570027 DATE: 05/08/2012

**Project Indicators (This Quarter)** 

### 1. Please describe significant project accomplishments completed during this quarter (600 words or less).

Outside fiber construction was nearly complete by the end of Q1 2012, and was completed in April. Equipment procurement and installation is proceeding ahead of schedule and expected to be complete in Q2 2012. Anchor institutions are continuing to be contacted and community outreach is continuing to be conducted.

2. Please provide the percent complete for the following key milestones in your project. Write "0" in the Percent Complete column and "N/ A" in the Narrative column if your project does not include this activity. If you provided additional milestones in your baseline plan, please insert them at the bottom of the table. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the percent complete is different from the target provided in your baseline plan (300 words or less).

	Milestone	Percent Complete	Narrative (describe reasons for any variance from baseline plan or subsequent written updates provided to your program officer)
2a.	Overall Project	91	Positive variance.
2b.	Environmental Assessment	100	No variance.
2c.	Network Design	100	No variance.
2d.	Rights of Way	0	N/A
2e.	Construction Permits and Other Approvals	100	No variance.
2f.	Site Preparation	100	No variance.
2g.	Equipment Procurement	90	Equipment procurement expected to be complete next quarter (Q2 2012).
2h.	Network Build (all components - owned, leased, IRU, etc)	90	Positive variance.
2i.	Equipment Deployment	90	Equipment deployment follows procurement. Expected to be complete next quarter (Q2 2012).
2j.	Network Testing	90	Testing follows equipment deployment and network build. Expected to be complete next quarter (Q2 2012).
2k.	Other (please specify): N/A	0	N/A

3. To the extent not covered above, please describe any challenges or issues faced during this past quarter in achieving planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (600 words or less).

None, ENMR-Plateau has been able to surpass projected milestones.

4. Please report the following information regarding network build progress. Write "0" in the Total column and "N/A" in the Narrative column if your project does not include this activity. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the total is different from the target provided in your baseline plan (600 words or less).

Indicator	Total	Narrative (describe your reasons for any variance from the baseline plan or any other relevant information)
New network miles deployed	89	Positive variance.
New network miles leased	528	No variance.
Existing network miles upgraded	1,268	Not reflected as a separate line item in baseline. No variance.
Existing network miles leased	0	N/A
Number of miles of new fiber (aerial or underground)	1,885	Positive variance.
Number of new wireless links	0	N/A

**Project Indicators (Next Quarter)** 

1. Please describe significant project accomplishments planned for completion during the next quarter (600 words or less). Completion of fiber optic facilities construction. Completion of network equipment installation.

2. Please provide the percent complete for the following key milestones in your project. Write "0" in the Planned Percent Complete column and "N/A" in the Narrative column if your project does not include this activity. If you provided additional milestones in your baseline plan, please insert them at the bottom of the table. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the next reporting quarter. Please provide a narrative description if the percent complete is different from the target provided in your baseline plan (300 words or less).

	Milestone	Planned Percent Complete	Narrative (describe reasons for any variance from baseline plan or any other relevant information)

3. Please describe any challenges or issues anticipated during the next quarter that may impact planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (600 words or less).

No potential challenges or issues at this time. Construction and equipment deployment are expected to be completed ahead of baseline projections. The total for part i. Construction under Matching Funds for the "Actuals from Project Inception through End of Current Report Period" below includes \$370,991 of ENMR Telephone Cooperative's in-kind matching requirement.

AWARD NUMBER: NT10BIX5570027 DATE: 05/08/2012

# Infrastructure Budget Execution Details

## Activity Based Expenditures (Infrastructure)

1. Please provide details below on your total budget, cumulative actual expenditures (for the period ending the current quarter), and cumulative anticipated expenditures (for the period ending next quarter) for each line item, including detailed disbursements of both matching funds and federal funds from project inception through end of this quarter (actual) or next quarter (anticipated). Actual and anticipated figures should be reported cumulatively from award inception to the end of the applicable reporting quarter.

		-	-								
Budget for Entire Project					s from Project End of Current Period		Anticipated Actuals from Project Inception through End of Next Reporting Period				
Cost Classification	Total Cost (plan)	Matching Funds (plan)	Federal Funds (plan)	Total Cost	Matching Funds	Federal Funds	Total Costs	Matching Funds	Federal Funds
