AWARD NUMBER: NT12BIX5570002 DATE: 11/30/2012

Project Indicators (This Quarter)

1. Please describe significant project accomplishments completed during this quarter (600 words or less).

Current aerial miles constructed is 56 of 84 total.

Current underground miles constructed is 173 of 192 total.

Total miles currently constructed is 229.49 of 276 for the total project for a total percentage of 85% complete.

Miles not yet constructed but all permits received 29.

Interconnection points installed 483 of 625 for a total of 78% complete. Zayo leaves a slack loop for tie in purposes every 2,500 feet. This is what we label as interconnection points.

We have currently connected (run the dark fiber to) 102 CAI's (no electronics, not ready for use) of the 145 CAI's for the whole project for a total percentage of 72.2% complete OSP. 3 have Equipment installed which brings the total connected to 105.

We currently have 17 Railroad ROW permits of 17 total for a total of 100% complete.

We currently have 34 City Permits of 35 total for a total of 97.1% complete.

We currently have 37 County Permits of 38 total for a total of 97.3% complete.

We currently have 27 State Permits of 28 total for a total of 96.4% complete.

Currently we Need 1 DNR/Fish & Wildlife Permit anticipated news by Nov 4th 2012.

We currently have 24 DNR Permits of 28 total for a total of 85.5% complete.

We currently have 1 Corp of Engrs Permits of 2 total for a total of 50% complete.

We currently have 139 permits of 148 total for a total of 86.5% Complete for all permits.

We currently have 1550 miles of Aerial Poles Make Ready completed of 1710 total for a total of 91% complete.

2. Please provide the percent complete for the following key milestones in your project. Write "0" in the Percent Complete column and "N/ A" in the Narrative column if your project does not include this activity. If you provided additional milestones in your baseline plan, please insert them at the bottom of the table. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the percent complete is different from the target provided in your baseline plan (300 words or less).

	Milestone	Percent Complete	Narrative (describe reasons for any variance from baseline plan or subsequent written updates provided to your program officer)
2a.	Overall Project	52	This is based on actual spend.
2b.	Environmental Assessment	100	This is in line with our detailed budget.
2c.	Network Design	89	This is based on actual spend.
2d.	Rights of Way	0	N/A
2e.	Construction Permits and Other Approvals	0	N/A
2f.	Site Preparation	0	Zayo included this in our baseline, but did not include this in our detailed budget.
2g.	Equipment Procurement	7	This is based on actual spend.
	Network Build (all components - owned, leased, IRU, etc)	58	This is based on actual spend.
2i.	Equipment Deployment	0	Zayo included this in our baseline, but did not include this in our detailed budget.
2j.	Network Testing	0	N/A
2k.	Other (please specify):0	0	N/A

3. To the extent not covered above, please describe any challenges or issues faced during this past quarter in achieving planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (600 words or less).

Zayo is ahead of schedule and below budget and plans to stay that way.

4. Please report the following information regarding network build progress. Write "0" in the Total column and "N/A" in the Narrative column if your project does not include this activity. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the total is different from the target provided in your baseline plan (600 words or less).

DATE: 11/30/2012

Indicator	Total	Narrative (describe your reasons for any variance from the baseline plan or any other relevant information)
New network miles deployed	229	This is based on actual build.
New network miles leased	0	N/A
Existing network miles upgraded	0	N/A
Existing network miles leased	0	N/A
Number of miles of new fiber (aerial or underground)	229	This is based on actual build.
Number of new wireless links	0	N/A
Number of new towers	0	N/A
Number of new and/or upgraded interconnection points	483	This is because we are equally spacing all interconnection points.

For questions 5 and 6 please include information relating to agreements that you are negotiating or have entered into, or that your sub recipient, contractor or subcontractor is negotiating or entered into.

5a. If applicable, please provide the following information with regard to agreements with broadband wholesalers and/or last mile providers as a result of your project.

Indicators	
Number of signed agreements with broadband wholesalers or last mile providers	0
Number of agreements currently being negotiated with broadband wholesalers or last mile providers	4
Average term of signed agreements (in quarters)	0

5b. Please list the names of the wholesale and last mile providers with whom you have signed agreements (100 words or less). Providers: N/A

5c. What wholesale services are being provided by this project? Please describe below. As an attachment to this report, please provide pricing plans (in \$ per month) associated with each wholesale service provided by your product (100 words or less). Wholesale services description:

N/A

5d. If you have designated a third party to operate all or a portion of your network, please provide the name and contact information for this third party, indicate if this entity is a sub recipient, contractor, and/or subcontractor, and describe with specificity the portion of your network this this third party operates (600 words or less). N/A

6. Please provide the data according to the type of subscriber. Write "0" in the Total column and "N/A" in the Narrative column if your project does not pass or serve a particular subscriber type. Unless otherwise indicated in the instructions, figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the total is different from the target provided in your baseline plan (300 words or less).

Subscriber Type Access Type		Total	Narrative (describe your reasons for any variance from the baseline plan or any other relevant information)		
Broadband Wholesalers or Last Mile Providers	Providers with signed agreements receiving new access	0	Zayo is not connected to sites yet and needs to before we can sell or improve connections. Zayo expects to match our baseline by the end of the project timeline.		
	Providers with signed agreements receiving improved access	0	Zayo is not connected to sites yet and needs to before we can sell or improve connections. Zayo expects to match our baseline by the end of the project timeline.		
	Providers with signed agreements receiving access to dark fiber		Zayo is not connected to sites yet and needs to before we can sell or improve connections. Zayo expects to match our baseline by the end of the project timeline.

Infrastructure Budget Execution Details

Activity Based Expenditures (Infrastructure)

1. Please provide details below on your total budget, cumulative actual expenditures (for the period ending the current quarter), and cumulative anticipated expenditures (for the period ending next quarter) for each line item, including detailed disbursements of both matching funds and federal funds from project inception through end of this quarter (actual) or next quarter (anticipated). Actual and anticipated figures should be reported cumulatively from award inception to the end of the applicable reporting quarter.

Budget for Entire Project					Is from Project End of Current Period		Anticipated Actuals from Project Inception through End of Next Reporting Period		
Cost Classification	Total Cost (plan)	Matching Funds (plan)	Federal Funds (plan)	Total Cost	Matching Funds	Federal Funds	Total Costs	Matching Funds	Federal Funds
