22. Program Income:

On December 17, 2010, NTIA waived the limitation on the use of program income set forth in Section V.E. of the Notice of Funds Availability [74 Fed. Reg. 33104, 33113 (July 9, 2009)] which directed recipients to use program income only to add to the funds committed to the project to further eligible project objectives. Under the waiver issued on December 17, 2010, recipients may also use program income to finance the non-Federal share of their projects in accordance with 15 CFR § 14.24 or 15 CFR § 24.25. Recipients must request approval from the Grants Office to use program income for the non-Federal share by identifying the anticipated program income and submitting revised budget documentation in the form of the Standard Form 424A along with a budget narrative and detailed budget reflecting the proposed changes.
