Dear Ms. Brigham,

I, [Authorized Official] am the CEO, President, CFO or Financial Officer – (*circle one*) of [Name of Recipient] of [City, State]. I assert that [Name of Recipient] has a financial management system in place for recording costs under a Broadband Opportunities Technology Program (BTOP) grant awarded by NIST.

I further acknowledge that [Name of Recipient]'s financial management system must provide:

- Complete disclosure of financial results of each Federally-sponsored project or program;
- Records that identify the source and application of funds for all Federally-sponsored activities;
- Effective control and accountability for all funds, property and other assets;
- A comparison of outlays with budget amounts for each award;
- Written procedures to minimize time between transfer of Federal funds to the recipient;
- Written procedures for determining reasonableness, allocability, and allowability of costs in accordance with the provisions of the Federal cost principles and the terms and conditions governing the award; and
- Accounting records including cost accounting records with supporting documentation.

I also recognize that the applicable cost principles and administrative requirements (provided in link below – *place check mark below next to recipient organization type*) apply to [Name of Recipient]'s BTOP grant award, specific to the organization type:

SPECIAL AWARD CONDITIONS
78-43-B10569**

The Recipient must satisfactorily address the following special award conditions no later than October 3, 2011. Pursuant to 15 CFR Part 24.43, "Enforcement," failure to provide adequate documentation to NTIA and to the NIST Grants Office to support these conditions will result in the suspension of this award on October 14, 2011.

17. Accounting System Verification: The VIPFA, whether receiving Federal Funds or only providing matching funds, must have a functioning financial management system that meets the provisions of 15 C.F.R. § 14.21 and 15 C.F.R. § 24.20 to ensure proper accountability of funds. The VIPFA must submit an accounting system certification issued by an independent Certified Public Accountant (CPA) to the NIST Grants Officer by October 3, 2011. Attached is a template that should be used to satisfy this condition.
19. Organizational Structure: The VIPFA must provide a more detailed organizational chart outlining the roles and responsibilities of all current and projected viNGN and VIPFA staff associated with this award, including 3P Consulting support, showing which organization all current and projected employees are employed and whether their position is or will be funded by Federal funds for this grant award. The response should also explain viNGN's role as sub-recipient and VIPFA's oversight.
20. Authorized Award Representative (AOR): The VIPFA must submit an Award Action Request (AAR) changing the AOR designation from Mr. Francis to Mr. Dawson. In conjunction with this change, the VIPFA must ensure that only Mr. Dawson and his designee, Joy Wheatley, will have access to ASAP.
21. Provide a list of staff in the VIPFA who are authorized to make draw down requests through ASAP.
22. The VIPFA must provide copies of its policies and procedures that address timesheet approval for Program Director time, whether funded by Federal funds or supplied as match. The VIPFA must provide completed timesheets demonstrating that it has implemented these policies.
23. Match Valuation: The VIPFA must demonstrate proof that it has ensured that all match valuation documentation is in the Grants File.
24. The VIPFA must submit copies of the executed sub-recipient agreement between VIPFA and viNGN to NTIA and NIST Grants Office.

25. The VIPFA must develop a subrecipient monitoring plan to monitor the activities of viNGN. A copy of this plan must be submitted to NTIA and the NIST Grants Office.
26. The VIPFA must submit a copy of the executed contract agreement between viNGN and the Atlantic Engineering Group (AEG). It should contain a task order for each project to facilitate the submission of invoices. Invoices should be unique to grant 78-42-B10569.
27. The VIPFA must submit to the Federal Audit Clearinghouse with a copy to the NTIA and the NIST Grants Office the overdue annual A-133 Audit for the VIPFA.
28. Sub-recipient / Vendor Designation: The VIPFA must explain why 3P is designated as a vendor and not a subrecipient for the NTIA grant awards, specifically given Ms. Marion Prescod's role in the award. If the VIPFA determines that 3P as a sub-recipient, it should obtain a subrecipient agreement, modify its budgets accordingly, and prepare a sub-recipient monitoring plan.
29. Property Management: The VIPFA must develop, document, and implement Asset/Property Management Policy and Procedures. The VIPFA must submit a copy of these policies and procedures to NTIA and the NIST Grants Office.
30. The VIPFA must provide a copy of meeting notes demonstrating when the VIPFA board adopted its Procurement Policy addendum to the U.S. Virgin Islands Territory Procurement Policy.
31. The VIPFA must submit copies of all executed contract agreements over \$100,000.
32. Third Party Relationship Management: The VIPFA must provide an overview of the VIPFA's processes, procedures, and systems used to manage third-party contributor and contractor relations.
33. Equipment Recordkeeping: The VIPFA must provide an overview of how the VIPFA complies with the requirement to document and maintain a property record of property acquired or improved with Federal funds per the requirements set forth in 15C.F.R. § 24.32, entitled "Equipment."
34. Reporting: The VIPFA must provide a process flow, identifying the individual responsible for each step of reporting for the VIPFA quarterly Performance Progress Report (PPR), FFR, and American Recovery and Reinvestment Act reporting.

35. Schedule/Scope (SBA): Provide a detailed project schedule that includes the activities outlined in the application and a plan for reducing the scope of activities during the award period if schedule delays persist.
