## Project Indicators (This Quarter)

1. Please describe significant project accomplishments completed during this quarter (600 words or less).

WinstonNet completed a detailed RFP for laptop computers and has chosen a vendor who will deliver the computers in January 2011. RFP's for thin client's and furniture have been started and will be completed by the end of January 2011. Mango Software (Language) has been purchased and is available in all county public libraries. As public computer labs are upgraded, the software will be available to them as well. A job description for a bi-lingual instructor was completed last quarter, and candidates were interviewed and screened in this quarter. An instructor has been hired and will begin work in January 2011. Computers have been ordered for the new Forsyth Tech labs with an estimated arrival date of January 14, 2011. Computer training programs are ongoing.

2. Please provide the percent complete for the following key milestones in your project. Write "0" in the Percent Complete column and "N/A" in the Narrative column if your project does not include this activity. If you provided additional milestones in your baseline report, please insert them at the bottom of the table. Figures should be reported cumulatively from award inception to the end of the most recent reporting quarter. Please provide a narrative description if the percent complete is different from the target provided in your baseline plan (300 words or less).

3. Please describe any challenges or issues faced during this past quarter in achieving planned progress against the project milestones listed above. In particular, please identify any areas or issues where technical assistance from the BTOP program may be useful (600 words or less).

4. Please provide actual total numbers to date or typical averages for the following key indicators, as specified in the question. Write "0" in the Total column and "N/A" in the Narrative column if your project does not include this activity. Unless otherwise indicated below, figures should be reported <u>cumulatively</u> from award inception to the end of the most recent reporting quarter. Please provide a narrative explanation if the total is different from the target provided in your baseline plan (300 words or less).

## **Project Indicators (Next Quarter)**

- 1. Please describe significant project accomplishments planned for completion during the next quarter (600 words or less).
- n the January March 2011 quarter, WinstonNet plans to have 131 new workstations installed and available to the public at the six Forsyth Tech computer labs. RFP's for desktop computers, computer servers, furnishings and software will be completed and issued for upgrading the existing WinstonNet labs and four new labs. A bi-lingual instrutor will begin teaching classes in Spanish at various labs. Computer training classes are on-going.
- 2. Please provide the percent complete anticipated for the following key milestones in your project as of the end of the next quarter. Write "0" in the second column if your project does not include this activity. Figures should be reported cumulatively from award inception to the end of the next reporting quarter. Please provide a narrative description if the planned percent complete is different from the target provided in your baseline plan (300 words or less).
